EXPERIENCE

UNIVERSITY OF TEXAS AT DALLAS | Dallas, TX

Jun 2025 - Sep 2025

Licensed Emergency Medical Technician

Public research university with hands-on emergency medical training partnerships that provide immersive clinical exposure across ER, field, and pre-hospital care environments with direct physician interaction.

- **Ranked in the Top 5% of EMT cohort for performance, adaptability, and composure in high-acuity settings** while delivering hands-on clinical support across emergency room, trauma, ambulance, and in-transit patient care environments.
- **Provided direct patient care** across the emergency department and completed EMT training in pharmacology fundamentals, building foundational scientific knowledge and clinical communication skills directly relevant to pharmaceutical sales.
- **Pivotal in assisting ER physician** during a high-acuity emergency tracheotomy, maintaining composure and executing rapid-response support protocols under extreme pressure in an active trauma setting while putting patient safety and integrity first.
- **Demonstrated rapid decision-making and execution under extreme pressure** while supporting multidisciplinary trauma teams during high-acuity emergency interventions and collaborating effectively with diverse clinical stakeholders.
- **Facilitated seamless patient stabilization, emergency transport, and critical care handoffs** by working collaboratively with physicians, nurses, EMTs, firefighters, and trauma teams.
- **Commended for supporting emergency air transport intake operations** by stabilizing and transferring critical patients from rooftop helipad arrival through trauma bay admission while adhering to compliance standards and documentation requirements.

GOLDMAN SACHS | Dallas, TX

Apr 2021 - Mar 2023

Global Markets Analyst - Client Relationships & Syndicated Loan Operations

Global investment bank and institutional financial services firm managing complex syndicated loan portfolios and high-value client relationships across multi-million-dollar accounts and enterprise-level stakeholders.

- **Earned distinction for seamlessly managing 20+ high-value institutional accounts** across multi-million-dollar syndicated portfolios, strengthening long-term client relationships and account retention.
- **Completed 10–20 complex transactions weekly** with zero-defect accuracy while operating in a high-pressure, 70+ hour workweek environment under strict deadlines and regulatory compliance requirements.
- **Resolved a client objection and misunderstanding** by independently identifying a contract misinterpretation, influencing internal leadership alignment, and strengthening retention through consultative, data-driven client communication with a senior stakeholder.
- **Strengthened executive client trust and retention** through consultative communication, persuasive presentation, strategic problem-solving, and relationship-first account management.
- **Served as the face of the firm's brand** and primary relationship owner to senior financial decision-makers, executing white-glove service and accuracy standards to differentiate Goldman's value proposition and sustain long-term partnership growth.

VIVINT | Lehi, UT

May 2019 - Apr 2020

Business Operations Analyst

Technology-enabled home security and smart home company focused on data-driven growth strategy, customer acquisition optimization, and territory-based revenue expansion.

- **Directly influenced executive-level resource allocation and investment prioritization** by presenting a C-suite business case and securing a \$2M+ revenue expansion opportunity, demonstrating strong business acumen and analytical insight.
- **Translated complex data sets into clear, actionable growth strategies** in alignment with board-level targets by proficiently building executive-level forecasting models using SQL, Snowflake, and Python.
- **Informed data-driven decisions** by analyzing the territory market landscape, diagnosing performance gaps and operational inefficiencies, and identifying opportunities to increase product growth and market coverage.

1-800 CONTACTS | Draper, UT
Financial Analyst Intern

May 2017 - Sep 2017

Direct-to-consumer vision care retailer leveraging data analytics and geographic targeting to optimize national marketing spend and customer acquisition strategy across U.S. markets.

- Optimized customer acquisition strategy** by developing a nationwide marketing performance heat map across 42,000+ U.S. ZIP codes, identifying underperforming spend areas, market segments, and high-potential growth territories to optimize coverage and inform market development and competitive landscape analysis.
- Streamlined business operations** by orchestrating training sessions for the Analytic Teams on the newly developed framework, ensuring clear communication and collaboration across stakeholders.

SPANISH-SPEAKING SERVICE MISSION | Nebraska, Iowa, South Dakota
Full-Time Volunteer Representative

Feb 2014 - Aug 2015

- Drove membership growth** by identifying, developing, and maintaining influential community advocates and local opinion leaders who referred and influenced others to join, reducing reliance on cold outreach and strengthening relationship-based pipeline development.
- Created pre-call plan objectives and executed post-call evaluations** to continuously improve outreach effectiveness, using CRM pipelines to manage territory coverage and track engagement across Nebraska, Iowa, and South Dakota.
- Consistently met daily and weekly performance targets** by adapting to diverse community environments while onboarding, mentoring, and supporting a new representative to achieve shared outreach goals.

COURT APPOINTED SPECIAL ADVOCATES FOR CHILDREN (CASA) | Provo, UT
Volunteer Executive Director, BYU Chapter

Jan 2016 - Dec 2019

- Presided over a 5-person executive leadership team overseeing 100+ volunteer advocates**, driving coordinated case management, training, and support for court-involved pediatric populations within a high-stakes judicial environment while ensuring integrity, accountability, and collaborative decision-making.
- Built trusted relationships with judges, attorneys, families, and multidisciplinary stakeholders** through emotionally intelligent communication in high-stakes advocacy environments, reinforcing credibility and long-term stakeholder engagement.
