EXPERIENCE

UNIVERSITY OF TEXAS AT DALLAS | Dallas, TX Licensed Emergency Medical Technician

Jun 2025 - Sep 2025

Public research university with hands-on emergency medical training partnerships that provide immersive clinical exposure across ER, field, and pre-hospital care environments within large institutional hospital systems.

- **Ranked in the Top 5% of EMT cohort** while delivering hands-on clinical support across emergency room, trauma, ambulance, and in-transit patient care environments within a high-acuity hospital setting.
- **Provided direct patient care** across the emergency department and completed EMT training in pharmacology fundamentals and disease-state recognition, building foundational scientific knowledge directly relevant to pharmaceutical sales.
- **Pivotal in assisting ER physician** during a high-acuity emergency tracheotomy, maintaining composure and executing rapid-response support protocols under extreme pressure in an active trauma setting.
- **Demonstrated rapid decision-making and execution under extreme pressure** while supporting multidisciplinary trauma teams during high-acuity emergency interventions.
- **Facilitated seamless patient stabilization, emergency transport, and critical care handoffs** by working collaboratively with physicians, nurses, EMTs, firefighters, and trauma teams across the hospital system to ensure coordinated patient care.
- **Commended for supporting emergency air transport intake operations** by stabilizing and transferring critical patients from rooftop helipad arrival through trauma bay admission while adhering to credentialing and safety compliance standards.

GOLDMAN SACHS | Dallas, TX Global Markets Analyst - Client Relationships & Syndicated Loan Operations

Apr 2021 - Mar 2023

Global investment bank and institutional financial services firm managing complex syndicated loan portfolios and high-value client relationships across multi-million-dollar accounts and enterprise-level stakeholders in competitive market environments.

- **Earned distinction for seamlessly managing 20+ high-value institutional accounts** across multi-million-dollar syndicated portfolios, prioritizing coverage and engagement across an assigned book of business.
- **Completed 10–20 complex transactions weekly** with zero-defect accuracy while operating in a high-pressure, 70+ hour workweek environment under strict deadlines.
- **Resolved a client objection and misunderstanding** by independently identifying a contract misinterpretation, influencing internal leadership alignment, and strengthening retention through consultative, data-driven client communication and stakeholder engagement with a senior decision-maker.
- **Strengthened executive client trust and retention** through consultative communication, persuasive presentation, strategic problem-solving, and relationship-first account management that consistently supported long-term partnership and revenue growth.
- **Served as the face of the firm's brand** and primary relationship owner to senior financial decision-makers, executing white-glove service and accuracy standards to differentiate Goldman's value proposition and sustain long-term partnership growth.

VIVINT | Lehi, UT Business Operations Analyst

May 2019 - Apr 2020

Technology-enabled home security and smart home company focused on data-driven growth strategy, customer acquisition optimization, and territory-based revenue expansion.

- **Directly influenced executive-level resource allocation and investment prioritization** by presenting a C-suite business case and securing a \$2M+ revenue expansion opportunity tied to specific territories and market segments.
- **Translated complex data sets into clear, actionable growth strategies** in alignment with board-level targets by proficiently building executive-level forecasting models using SQL, Snowflake, and Python to inform territory business planning.
- **Informed data-driven decisions** by analyzing the territory market landscape and diagnosing performance gaps and operational inefficiencies to guide market analysis and resource deployment.

1-800 CONTACTS | Draper, UT
Financial Analyst Intern

May 2017 - Sep 2017

Direct-to-consumer vision care retailer leveraging data analytics and geographic targeting to optimize national marketing spend and customer acquisition strategy across U.S. markets.

- Optimized customer acquisition strategy** by developing a nationwide marketing performance heat map across 42,000+ U.S. ZIP codes, identifying underperforming spend areas, market segments, and high-potential growth territories to optimize coverage, territory business planning, and market analysis.
- Streamlined business operations** by orchestrating training sessions for the Analytic Teams on the newly developed framework.

SPANISH-SPEAKING SERVICE MISSION | Nebraska, Iowa, South Dakota

Feb 2014 - Aug 2015

Full-Time Volunteer Representative

- Drove membership growth** by identifying, developing, and maintaining influential community advocates who referred and influenced others to join through consultative selling and referral development, reducing reliance on cold outreach.
- Created pre-call plan objectives and executed post-call evaluations** to improve outreach effectiveness continuously, tracked through CRM pipelines across Nebraska, Iowa, and South Dakota within an assigned multi-state territory.
- Consistently met daily and weekly performance targets** by onboarding, mentoring, and supporting a new representative.

COURT APPOINTED SPECIAL ADVOCATES FOR CHILDREN (CASA) | Provo, UT

Jan 2016 - Dec 2019

Volunteer Executive Director, BYU Chapter

- Presided over a 5-person executive leadership team overseeing 100+ volunteer advocates**, driving coordinated case management, training, cross-functional collaboration, and support for court-involved pediatric populations within a high-stakes judicial environment.
- Built trusted relationships with judges, attorneys, families, and multidisciplinary stakeholders** through emotionally intelligent communication and stakeholder engagement in high-stakes advocacy environments.
