PROFESSIONAL EXPERIENCE

PLANNED CAREER BREAK, Dallas, TX

March 2023 – Present

Clinical Training, Community Leadership, and Family Caregiving

Completed national EMT licensure and direct patient care experience during a planned break for family caregiving. Led community programs and continued professional development while building toward an intentional transition into pharmaceutical sales.

- Earned national EMT licensure (NREMT) through the University of Texas at Dallas, ranking in the top 5% of cohort, and provided direct patient care to 150+ patients across emergency department and pre-hospital rotations, including trauma, respiratory distress, and other high-acuity cases.
- Performed rapid-response airway support alongside an ER physician during an emergency tracheotomy, maintaining composure in a fast-paced clinical environment.
- Navigated the healthcare delivery system firsthand across emergency department rotations, supporting care coordination with physicians and clinical nursing staff across patient handoffs and medication administration.
- Selected as 1 of 3 Outreach Co-Chairs at Meadowbrook School, coordinating programs for 44 students across 42 families, negotiating league approval to field 2 oversized athletic teams against a standard 8-player cap and building the program end to end: interest polling, coach recruitment, parent communications, and a vendor-partnered online store for 23 families.
- Maintained a professional network pipeline in CRM, tracking contact tiers, follow-up cadences, and outreach stages across 100+ contacts.

GOLDMAN SACHS, Dallas, TX

April 2021 – March 2023

Global Markets Analyst | Client Relationships & Account Management

Drove a portfolio of multi-million-dollar corporate lending accounts. Served as the trusted relationship partner, resolving complex inquiries and providing consultative support across contract terms, payment structures, and account requirements.

- Interpreted complex 100 to 250+ page legal loan agreements, enabling accurate billing, contract and regulatory compliance, and timely resolution of client inquiries.
- Managed a key account book of up to 20 multi-million-dollar corporate lending relationships, maintaining 100% retention through white-glove service.
- Resolved inquiries on loan terms, interest rates, and payment structures with zero escalations across the account book.

- Mentored 1 intern and 2 team members, accelerating onboarding and strengthening team performance through individualized coaching and support.
- Earned a performance-based bonus for consistent client service quality and operational accuracy.
- Processed approximately 20 complex lending transactions weekly with exceptional accuracy, ensuring timely execution and compliance with internal controls.

VIVINT, Lehi, UT

May 2019 – April 2020

Business Operations Analyst

Analyzed operational and field performance data using SQL and business intelligence tools to develop executive dashboards, performance insights, and strategic recommendations that supported C-suite decision-making and KPI management.

- Delivered executive-level reporting within 9 days of onboarding after learning SQL and business intelligence tools on the job.
- Built executive dashboards used by the COO and 6 department leaders to monitor KPIs, quota attainment, and sales goal performance tied to sold volume and installation capacity, with findings presented in C-suite quarterly earnings calls.
- Identified 8 operational inefficiencies through data analysis, uncovering a \$2M revenue opportunity that informed executive resource allocation and business planning.

1-800 CONTACTS, Draper, UT

May 2017 – September 2017

Financial Analyst Intern

Prepared recurring financial reports and performance analyses for executive leadership, supporting financial planning and operational decision-making through data analysis and reporting.

- Developed a nationwide brand marketing performance heat map across 41,000+ U.S. ZIP codes, enabling leadership to evaluate advertising spend against customer acquisition and regional market trends at the territory level.
- Initiated an independent market analysis across all 50 states outside assigned responsibilities, introducing a new data visualization approach adopted for team knowledge sharing.
- Trained the 10-person analytics team on newly introduced Excel visualization tools.

ADDITIONAL EXPERIENCE & COMMUNITY LEADERSHIP

COURT APPOINTED SPECIAL ADVOCATES (CASA) FOR CHILDREN, Provo, UT

January 2016 – December 2019

Executive Director (Volunteer), BYU Chapter

- Directed a 5-member executive team overseeing 100+ volunteer advocates, improving volunteer coordination, training, and child advocacy efforts.
- Established collaborative relationships with judges, attorneys, families, and community partners, elevating support for court-involved children.
- Drove certification completion across a 100+ advocate roster, increasing the share of active, fully certified advocates.

SPANISH-SPEAKING SERVICE MISSION, NE, IA, and SD

February 2014 – August 2015

Full-Time Service Representative (Volunteer)

- Expanded membership across Nebraska, Iowa, and South Dakota territories, with more than 50% of new commitments generated through referrals rather than cold outreach.
- Executed a structured plan of action with pre-call planning and post-call evaluation, ensuring regular and consistent territory coverage through disciplined CRM pipeline management.
- Mentored and onboarded a new representative while meeting weekly performance goals for 12 consecutive weeks.
