PROFESSIONAL EXPERIENCE

GOLDMAN SACHS, Dallas, TX

April 2021 – March 2023

Global Markets Analyst – Client Relationships & Syndicated Loan Operations

Drove a portfolio of multi-million-dollar corporate lending accounts. Served as the trusted, customer-focused relationship partner, resolving complex inquiries and providing consultative support across contract terms and payment structures.

- Interpreted complex 100 to 250+ page legal loan agreements, enabling accurate billing, contract compliance, and timely client response.
- Managed ~20 accounts to 100% retention through white-glove service.
- Resolved client inquiries on loan terms, interest rates, and payment structures with zero escalations across the book.
- Mentored 1 intern and 2 underperforming team members, accelerating onboarding and strengthening team performance.
- Earned a performance-based bonus for consistently strong client service quality and operational accuracy.
- Processed ~20 complex lending transactions weekly with exceptional accuracy, ensuring timely execution.

VIVINT, Lehi, UT

May 2019 – April 2020

Business Operations Analyst

Analyzed operational and field selling performance data using SQL and business intelligence tools to develop executive dashboards, operational insights, and strategic recommendations that supported C-suite decision-making and KPI management.

- Delivered leadership reporting within 9 days of onboarding after learning SQL and technical business intelligence tools.
- Built executive dashboards used by the COO and 6 department leaders and presented in C-suite quarterly earnings calls to monitor KPIs and inform business decisions.
- Identified 7–8 operational inefficiencies through data analysis, uncovering a \$2M revenue opportunity that influenced executive resource allocation.

1-800 CONTACTS, Draper, UT

May 2017 – September 2017

Financial Analyst Intern

Prepared recurring financial reports and product performance analyses for executive leadership at a direct-to-consumer medical device retailer, supporting financial planning and operational decision-making.

- Created a nationwide marketing performance heat map across 41,000+ U.S. ZIP codes, enabling leadership to evaluate advertising spend against customer acquisition trends.
- Initiated an independent market analysis across all 50 states outside assigned responsibilities, introducing a new data visualization approach adopted for team knowledge sharing.
- Trained the 10-person analytics team on newly introduced Excel visualization tools.

ADDITIONAL EXPERIENCE & COMMUNITY LEADERSHIP

MEADOWBROOK SCHOOL, Dallas, TX

July 2026 – Present

PK3 Outreach Co-Chair

- Served as one of three Outreach Co-Chairs supporting 42 PK3 families within an 88-student school community.
- Independently launched the fall soccer program, polling interest, coordinating parent communications, recruiting and preparing 4 coaches, and securing league approval to field 2 teams of 12 despite the standard 8-player limit.
- Controlled end-to-end program logistics, including league coordination, team communications, budgeting, payment collection, and program administration.
- Expanded programming beyond soccer by coordinating an art class through December.
- Partnered with fellow Outreach Co-Chairs to produce the family reference book for 42 families and coordinated the back-to-school family event.

TEMPLE EMANU-EL, Dallas, TX

August 2025 – May 2026

Room Parent Volunteer

- Organized 5 family events and 2 fundraising initiatives, enhancing community involvement in line with school objectives.
